FOR IMMEDIATE RELEASE

**How to Celebrate National Pride Month Safely with Pacific
Pride Foundation;
Summer of Pride Announced**

Santa Barbara, Calif., Jun. 16, 2020 – Pacific Pride Foundation (PPF) provides programs and services to more than 10,000 people in Santa Barbara County, including community events and resources for the local LGBTQ+ and HIV-impacted communities and their families. June is National Pride Month, but PPF knows it is not a typical summer.

Every year for the last 13 years, PPF has brought the annual Pacific Pride Festival to Santa Barbara as a fund raiser and gift to the entire community. In light of COVID-19, the festival will not take place this year. However, celebrating the vibrant LGBTQ+ community is more important than ever in the midst of such uncertain times. PPF is delighted to announce Summer of Pride - a collection of opportunities to safely celebrate and connect with others - all summer long!

This year, PPF's celebration of Pride goes beyond the month of June when National Pride month is traditionally celebrated, said Jackie VanLingen, Development & Events Manager and Pride events organizer. "From now until the end of August, PPF encourages our community to get moving, reach out, meet new people, support local businesses, and show their pride! PPF has something for everyone to get involved in as the weather heats up."

Fitness:

- **Move With Color:** This six-week fitness campaign will challenge the community to get active while raising funds for the local LGBTQ+

center. An Apple Watch, FitBit, Google Fit, Garmin, Misfit, Strava, or cellphone can all be used to track progress along the way while friends, family, co-workers, and social media followers sponsor participants to raise funds for PPF. Each participant will receive a free rainbow bandanna to show their pride as they safely move through their community - whether it's walking, rolling, marching, dancing, or swimming to their goal. A special thank you to Marilyn Makepeace for underwriting the cost of this program. Participants can register [here](#) to participate.

Entertainment:

- LGBTQ+ Comedy Fundraiser: On Jun. 25, Bear Cave Comedy hosts an all-LGBTQ+ lineup of comics to raise money for Pacific Pride Foundation. Featuring comics who have performed at Flapper's, Laugh Factory, Laughs Unlimited, CONAN, HBO, and Amazon Prime, this event will be hosted virtually, with a portion of the proceeds from ticket sales going toward PPF's Summer of Pride. Community members can get tickets [here](#).

Eat:

- The Pride Donut: In honor of National Pride Month, Hook & Press Donuts have launched their Pride Donut - a triangle shaped, yeast raised donut with vanilla bean glaze and rainbow stripes. A portion of the proceeds will benefit Pacific Pride Foundation's Summer of Pride and the important work being done at Campaign Zero to utilize research-based policy solutions to end police brutality in America.

- SeaVees: Throughout the month of June, SeaVees has created a sole-ful way of celebrating Pride. Five dollars from every shoe sold from their rainbow shoe collection will benefit Pacific Pride Foundation's Summer of Pride. Community members can purchase [here](#).

It partners with 35 other educational and nonprofit agencies to create a thriving and visible LGBTQ+ community and prevent the transmission of HIV and HEP-C. PPF provides services and programs to more than 10,000 clients in the inclusive and diverse LGBTQ+ community including youth programs, elder

programs, counseling services, sensitivity trainings, community events, and advocacy on LGBTQ+ issues.

PPF directly prevents the transmission of disease through its HIV/AIDS and HEP-C testing and prevention outreach and education, delivering 1300 free tests in the past year. PPF is the leader in programs for LGBTQ+ youth, serving 300 kids with mental health, suicide prevention, and anti-bullying programs, while providing them with a safe place and leadership opportunities. PPF is also addressing the opioid crisis through the only clean needle exchange program in the county, which collects about 100,000 used needles every year, and by distributing Narcan kits, which have saved more than 300 people from potentially fatal overdoses in the past year.
